To: Board of Directors
From: Director Robert Krebs, Budget Committee Chair
Date: June 25, 2020
Subject: Budget Committee Recommendation to Adopt the FY 2020-21 Budget

President Davidson and Members of the Board:

As the chair of the Budget Committee for Salem Area Mass Transit District, I am pleased to present you with an Approved Budget for Fiscal Year 2020-21 with the Budget Committee's recommendation to adopt the budget.

Thanks go to both the elected members and the appointed citizen members of the Budget Committee for their service. The attention to detail and insight of all the members made the process productive and efficient. I'd also like to thank General Manager Allan Pollock and his great hardworking staff.

The District's FY21 budget includes appropriated funds at \$63.1 million, and unappropriated and reserve amounts at \$31.6 million, for a total of **\$94.7 million**. This budget will allow for a typical service level in FY21. This will occur incrementally in accordance with local, state, and federal guidelines, as the pandemic continues its course.

The District's General Fund budget at **\$39.6 million** includes property tax revenues, fare revenue, and various state and federal grant sources. The General Fund will provide approximately 205,066 annual vehicle revenue hours; an increase over last year.

The Transportation Program Fund budget at **\$10.4 million** includes state and federal grant funds and a local contribution from the General Fund. The Transportation Program Fund pays for services provided by the District other than Cherriots local fixed-route service. These services include the Cherriots paratransit service, regional service, Cherriots call center, Trip Choice and mobility management.

State and federal grant funds also provide for a **\$13.1 million** Capital Projects Fund. Major projects proposed for FY21 include vehicle replacements in fixed route, paratransit, and regional services. It also provides for a comprehensive ITS solution for the District's

buses, new software implementation in Finance and Human Resources, the South Salem Transit Center, and upgrades and replacements of Del Webb property and equipment.

The FY21 budget allows the District to offer a full year of service and has the resources to attract and maintain a quality workforce while the District collaborates with federal, state and local partners to identify funding to support public transit and infrastructure, and work toward more effective and efficient public transit services.

It was a pleasure chairing the budget committee. Thank you all for your commitment and hard work.

Respectfully submitted,

Knebs

Thru:	Allan Pollock, General Manager
Date:	June 25, 2020
Subject:	Adoption of Fiscal Year 2020-21 Budget, Making Appropriations, Imposing and Categorizing Taxes

ISSUE

Shall the Board adopt Resolution #2020-02 for the FY2020-21 Budget, making the appropriations accordingly, and imposing and categorizing the taxes?

BACKGROUND AND FINDINGS

In accordance with Oregon State Budget Law, the Budget Committee reviewed and approved the FY2020-21 Budget on May 7, 2020 for a total appropriation of all funds of \$63,129,835, and an unappropriated total amount of \$31,551,871, for a total approved budget of \$94,681,706.

Following approval by the Budget Committee at the May 7 meeting, the Budget Committee Chair, Bob Krebs, asked that the Board set the Budget Hearing. On June 3, the budget summary and notice of a public hearing were published on the District's website and in the local newspaper as required by law. The Budget Hearing was scheduled for June 25, 2020, prior to the consideration of this resolution asking for adoption of the budget.

FINANCIAL IMPACT

The Budget Committee approved total appropriation of all funds of \$63,129,835, and a tax rate of \$.7609 per \$1,000 of assessed value, the permanent rate set by Measure 50. Resolution #2020-02 also imposes and categorizes taxes in accordance with Oregon Budget Law requirements.

RECOMMENDATION

The Budget Committee recommends the Board adopt Resolution #2020-02, thereby adopting the FY2020-21 Budget, making appropriations accordingly, and imposing and categorizing property taxes.

PROPOSED MOTION

I move that the Board adopt Resolution #2020-02 for the adoption of the approved budget for Fiscal Year 2020-21 in the amount of \$94,681,706; and approve taxes at a rate of \$0.7609 per \$1,000 of assessed value for operating purposes in the General Fund.

Resolution No. 2020-02

Adopt the Fiscal Year 2020-21 Budget for Salem Area Mass Transit District

I move that the Board adopt Resolution #2020-02 for the adoption of the approved budget for Fiscal Year 2020-21 in the amount of \$94,681,706; and approve taxes at a rate of \$0.7609 per \$1,000 of assessed value for operating purposes in the General Fund.

G. ACTION ITEMS

 Shall the Board adopt Resolution No. 2020-01 to approve the Title VI Program and direct the General Manager to submit the document to the Federal Transit Administration by June 1, 2020 as required by federal rules and regulations?
 Presenter: Ted Stonecliffe, Transit Planner II (Programs)

Staff Report: Pages 29-136 of the agenda and the Supplemental Agenda Mr. Stonecliffe noted a clerical error on pages 5-6 of the Title VI Program document that had been corrected. Under 2019 fare change it now reads "Outreach events were held in May and June of 2018 for the July 1, 2019 fare change. A public survey was held May 13 – June 10, 2018 to gain feedback on the proposed new fare structure. In-person events were held in the Customer Service lobby at the Downtown Transit Center, Chemeketa Community College, and various high schools, senior centers, and neighborhood associations throughout Salem and Keizer."

There was a time for questions from the Board. In response, Mr. Stonecliffe explained that no changes would be needed to address emergency situations, like the pandemic, in the document at this time. Mr. Dickey explained why tribal consultation is required each time the District does a capital project. Mr. Pollock advised that the District has made system changes but have not made service changes which are reportable to the FTA.

Motion to: Adopt Resolution No. 2020-01 to approve the Title VI Program with the language changes on pages 5-6; and direct the General Manager to submit the document to the Federal Transit Administration by June 1, 2020 as required by federal rules and regulations.

2. Shall the Board adopt the Fiscal Year 2021 Board Meeting Schedule?

Presenter: President Ian Davidson

Allan Pollock, General Manager

Staff Report: Pages 137-140 in the agenda

Staff recommended that the Board choose from one of two options for the Fiscal Year 2021 schedule of Board of Directors meetings as described in the staff report under Attachment A (for eleven meetings) and Attachment B (for twelve meetings).

Motion to:	Adopt the schedule of board meeting dates for Fiscal Year 2021 as
	shown in Attachment B for twelve meetings.

- Motion by: Director Colleen Busch
- Second: Director Robert Krebs
- Motion passed with five (5) YES votes: Davidson, Nguyen, Carney,
 Busch, and Krebs; and one (1) NO vote: Rodgers
- Absent: Director Charles Richards
- 3. Shall the board authorize the general manager to execute an extension of the current contract with Medical Transportation Management, Inc. for ADA paratransit eligibility assessments for one year?

Presenter: Ron Siegrist, Customer Service Manager

Staff Report: Pages 141-143 in the agenda

Mr. Siegrist explained that the contract extension with Medical Transportation Management, Inc. was for twelve months from June 1, 2020 to May 31, 2021. The cost at \$120,025.80 increased three percent over the previous year; and is accounted for in the District's Fiscal Year 20-21 Budget.

There was a time for questions. In response, Mr. Siegrist reported that the contract language was reviewed by legal counsel. Mr. Pollock advised that the District will also be rebidding a contract for ADA paratransit eligibility assessments service during the one year extension.

Motion to:	Authorize the general manager to execute a one-year contract
	extension with Medical Transportation Management, Inc. for a
	not-to-exceed amount of \$120,025.80.
Motion by:	Director Colleen Busch
Second:	Director Chi Nguyen
Vote:	Motion passed: Davidson, Nguyen, Carney, Busch, Krebs, Rodgers
Absent:	Director Charles Richards

4. Shall the Board authorize the General Manager to execute a contract with ThermoGuard Company for an amount not to exceed \$116,625?

Presenter: Gregg Thompson, Maintenance ManagerStaff Report: Supplemental Agenda

Mr. Thompson reported the project costs to purchase 63 protection barriers from ThermoGuard totaled \$116,625 and will be covered by the FY20 Budget under Maintenance. The cost is eligible for reimbursement through the federal Coronavirus Aid Relief and Economic Security (CARES) Act.

There was a time for questions and answers. Mr. Thompson explained what the protection barriers would be used for. He said Gillig buses have not changed very much on the inside and are fairly standard on fixed route buses. When the barriers are up, operators will be able to control the cabin temperature for air conditioning and heat.

- Motion: Authorize General Manager to execute a contract with ThermoGuard for the purchase of 63 protection barriers for an amount not to exceed \$116,625.
 Motion by: Director Chi Nguyen
- Second: Director Sadie Carney

H. INFORMATION ITEMS

1. Performance Report for the Third Quarter

Staff Report:Pages 155-184 in the agendaPresenter:Chris French, Senior Planner

^hMr. French announced that Cherriots Shop and Ride has been suspended. Dial-A-Ride will run again beginning June 1 with a four passenger limit. He reported that the data for March reflected the changes to service made in response to the COVID-19 pandemic, which ultimately required the suspension of service on March 31, 2020. The changes that took place in March have affected all areas of the service. Most notably, the daily average revenue hours, daily average revenue miles, daily average rides, and fares. Data for the months of January and February shows good overall system performance.

2. Cherriots Trip Choice Report for the Third Quarter

Staff Report: Pages 143-154 in the agenda

Presenter: Roxanne Beltz, Transportation Options Coordinator Ms. Beltz reported on the activities, goals, and metrics of the Cherriots Trip Choice program that are structured around the 2019-2020 Oregon Department of Transportation approved work plan. She provided details of specific goals and activities accomplished during the third quarter. She also announced that vendors who provided for the Ride Salem bike sharing program have announced their closure due to the pandemic. The Ride Salem Board will meet to discuss their options. Ms. Beltz is on that board. She also reported that thirteen vanpools have suspended operation. The District will subsidize what they can and continue to work with the vendor.

3. Financial Report for the Third Quarter

Staff Report: Pages 185-191

Presenter: Al McCoy, Chief Financial Officer

Mr. McCoy reported that Total Operating Revenues are at 63% of total annual budget in the third quarter. Passenger Fares were at 58% of total budget, related to the COVID-19 virus pandemic. The Oregon State in Lieu payments were 57% of total budget, and the District received 99% of total projected Property Taxes by the end of the third quarter. Advertising revenues exceeded its annual budget but there will be a reduction in the final quarter from businesses already hurting from pandemic-related closures. The vendor and Cherriots have agreed to modify the contract for 6 months switching from guaranteed monthly amounts to a percentage basis.

Mr. McCoy stated that the Total Operating Expenditures of the General Fund are slightly under budget at 71%. All divisions except Administration and General Administration are at or below budget in their spending, ranging from 58% to 72% of the annual budget. The Administration Division was over budget at 78% because of benefits paid out for a retirement, higher than anticipated legal services, and other professional services costs. The General Administration Division is at 84% primarily

due to higher premium rates and the timing of payments for District membership dues in various organizations.

He said total fund expenditures are at 66% of the total annual budget in the Transportation Programs Fund. All divisions and programs within this fund are at or below the expected 75% of annual budget. Revenues in the Capital Project Fund are at 29%; they lag expenditures until the District is reimbursed by the granting federal or state agency. In total, Capital Project Fund expenditures are 38% of the annual approved budget. The signalization project at Keizer Transit Center, vehicle purchases for Cherriots local service, CAD/AVL equipment purchases, bus stop and shelter improvements, and several replacement equipment items for the Maintenance shop were primary expenditures year-to-date.

I. GENERAL MANAGER'S REPORT

Mr. Pollock reported on the results of COVID-19 on the District and how the last two month have changed the way the District does business and provides service. The District went into emergency operations mode as a result. Service was reduced with a focus on essential trips only. Employees, riders and community members went into quarantine. Safety for the drivers and safety for the community was emphasized and enhanced. Ridership plummeted, service was changed and the Board and staff need to spend time looking at how Cherriots will look like in the future. Mr. Pollock described three phases of major change as the ending, the neutral zone and the beginning. For Cherriots that is the ending of transit service as it was. Phase two is the recovery phase and transition. Phase three will be the new normal and possibly it will happen when the new vaccine is out. He asked that the Board begin to think about some of the key issues that they should have serious discussion about, that are significant for the next five years.

J. BOARD OF DIRECTORS REPORTS

Board members reported on their Board assignments, and citizen communications. There were no meetings of the Mid-Willamette Area Commission on Transportation (MWACT) or the Cherriots Citizens Advisory Committee (CAC). Meetings are scheduled on June 2nd for the Statewide Transportation Improvement Fund Advisory Committee (STIFAC), and on July 7th for the Special Transportation Fund Advisory Committee (STFAC).

President Davidson referred Directors to the Mid-Willamette Valley Council of Governments' website for the "COG Works" semi-annual report.

Director Carney reported that the Salem-Keizer Area Transportation Study (SKATS) Policy Committee met on May 26th where they approved projects for the Statewide

Transportation Improvement Program. She also attended her local neighborhood association meeting virtually.

Director Nguyen said she had been tracking Cherriots Facebook feed and sent kudos out to the communication team.

Director Rodgers announces his resignation from the Board as of June 30, 2020. He said he has loved serving the Board as a member but his work situation has made it impossible to attend the meetings. Director Busch thanked Director Rodgers for his work, his comradery and his contributions.

President Davidson said he was grateful for Director Rodgers dedicated service. He said that Mr. Pollock would work with the Governor's Office to appoint a replacement for Director Rodger's position representing Subdistrict #4.

Director Krebs' connection to speak from his computer was cutting out and was not clear. He was not able to give his report.

Date:	June 25, 2020
Subject:	Approval of FY 2021 Annual Allocation of Day Passes to the United Way of the Mid-Willamette Valley

ISSUE

Shall the Board approve the annual allocation of "Day Passes" to the United Way of the Mid-Willamette Valley for fiscal year 2020-2021?

BACKGROUND AND FINDINGS

On February 25, 1999, the Board adopted Resolution #99-03 for a Policy regarding Donation of Transit Items. According to the Resolution, it is the wish of Salem Area Mass Transit District (SAMTD) to promote the use of public transit, to foster good community relations, and to be a proactive participant in community affairs. Further, in keeping with this goal, it is the District's policy to respond to and work with businesses and agencies which service clientele in need of short-term assistance in riding the bus. Such services are intended to be provided on a limited basis to meet the extraordinary need on the part of clients, and are not intended to be ongoing.

On August 25, 2005, the Board amended the donation policy for transit items with the adoption of Resolution #05-04. A partnership was formed between SAMTD and the United Way of Mid-Willamette Valley to broker requests for transportation assistance and distribution of pre-loaded full fare day passes valued at \$3.25 each and youth day passes valued at \$1.50 each that becomes effective at time of activation on the bus.

The United Way of Mid-Willamette Valley has an application process for their member agencies to request passes. United Way staff screens member agency applicants for eligibility, and tracks distribution. This process has worked well and those in need of transportation assistance have been provided assistance through member agencies.

For the June 25, 2020 Board of Directors Meeting Agenda Item No. G.2.a

In FY2016, the Board raised the District's donation from 4,000 to 5,000 day passes. Fifty percent of the allocation is distributed in July and January of each fiscal year.

FINANCIAL IMPACT

The value of the District's donation of 5,000 day passes for FY2020-21 may total up to \$16,250, dependent upon United Way's client needs. The 2019 allocation included 4,600 full fare day passes with a value of \$14,950 and 400 reduced/youth day passes valued at \$600, for a total donation value of \$15,550 to United Way.

RECOMMENDATION

Staff recommends the approval of an annual allocation of 5,000 day passes to the United Way of the Mid-Willamette Valley for FY 2021.

PROPOSED MOTION

l move that the Board approve an annual allocation of 5,000 day passes to the United Way of the Mid-Willamette Valley for FY 2021.

Subject: STIFAC M	Member Reappointments and Staggered Terms

ISSUE

Shall the Board reappoint the initial / charter members of the Statewide Transportation Improvement Fund Advisory Committee under staggered terms established for the committee in accordance with the STIFAC Bylaws as identified in **Attachment A**?

BACKGROUND AND FINDINGS

The Statewide Transportation Improvement Fund Advisory Committee (STIFAC) for the District was created in July 2018 after the State Legislature passed a transportation funding packages in November 2017 to create new revenue sources for transportation under House Bill 2017. To be qualified, members of the STIFAC had to be knowledgeable about the public transportation needs of residents or employees located within or traveling to and or from the District, and be representative of further criteria established by the Oregon Department of Transportation for the Statewide Transportation Improvement Program.

On September 27, 2018, the Board adopted the STIFAC Bylaws by Resolution No. 2018-08. In *Article II - Section 3. Terms of Service* it states:

"... Except in the case of the initial formation of the STIFAC, described below, committee members shall serve for a term of two years, commencing on July 1. Members are eligible for re-appointment for up to two consecutive terms. Terms will be staggered so that no less than one-third and not more than one-half of the voting members have a term that expires in the same year.

At the time of the initial formation of the STIFAC, the Board will determine by lot which of the members will be appointed to a one year term and which members will be appointed to two year terms, so that the terms of office of the initial members of the STIFAC will be staggered."

During the first biennium of the District's STIF program, staggered terms were not established. As a result, all of the terms for the initial / charter members expire on June 30, 2020. The STIFAC convened on June 10, 2020 and passed a motion to recommend to the Board to reappoint the initial roster of STIFAC members under established staggered terms. **Attachment A** identifies the roster of members and their first term of service under staggered terms.

At the time of this recommendation, there were four vacancies on the STIFAC, leaving seven current members. Seven is the minimum number of members required under the STIF program requirements. Recruitment of additional members will be conducted over the next several months for recommendation to the Board for appointment.

FINANCIAL IMPACT

This action is related to advisory committee membership and has no fiscal impact.

RECOMMENDATION

The Statewide Transportation Improvement Fund Advisory Committee recommends that the Board approve the reappointment of the initial / charter members to their first term under staggered terms established for the membership in accordance with the STIFAC Bylaws; as identified in **Attachment A**. Initial / charter members of the STIFAC include Jim Row, Sandra Hernandez-Lomeli, Ron Harding, Becky Gilliam, Glen D. Morrison and Kathy Martin-Willis.

PROPOSED MOTION

I move that the Board approve the reappointment of the initial / charter roster of members to their first term under staggered terms established for the membership in accordance with the STIFAC Bylaws.

Subject:	Appointment of Chair and Vice Chair of the Statewide Transportation Improvement Fund Advisory Committee

ISSUE

Shall the Board appoint Becky Gilliam as the Chair, and Kathy Martin-Willis as Vice-Chair, of the Statewide Transportation Improvement Fund Advisory Committee for a one-year term from July 1, 2020 through June 30, 2021, in accordance with the Statewide Transportation Improvement Fund Advisory Committee Bylaws?

BACKGROUND AND FINDINGS

At its June 10, 2020 meeting, the Statewide Transportation Improvement Fund Advisory Committee (STIFAC) passed a motion to recommend Becky Gilliam as the STIFAC Chair and, through a separate motion, recommended Kathy Martin-Willis as Vice-Chair of the committee.

Article 2, Section 4 of the STIFAC Bylaws, states that the terms of the Chair and Vice-Chair be appointed to commence in July of each year. At a meeting preceding July, members of the STIFAC may recommend a Chair and Vice-Chair to serve for a term of 12 months, but no more than two consecutive years.

The STIFAC acts as an advisory committee to the Board on transportation funding of projects associated with the STIF program. The committee considers projects from all qualified transportation service providers in Marion and Polk counties.

RECOMMENDATION

The STIFAC recommends that the Board appoint Becky Gilliam as the Chair, and Kathy Martin-Willis as Vice-Chair of the STIFAC for a one-year term from July 1, 2020 through June 30, 2021, in accordance with the STIFAC Bylaws.

PROPOSED MOTION

I move that the Board appoint Becky Gilliam as the Chair, and Kathy Martin-Willis as Vice-Chair of the Statewide Transportation Improvement Fund Advisory Committee for a one-year term from July 1, 2020 through June 30, 2021, in accordance with the Statewide Transportation Improvement Fund Advisory Committee Bylaws.

Thru:	Allan Pollock, General Manager
Date:	June 25, 2020
Subject:	Adoption of Resolution #2020-03 for a FY2019-20 Budget Amendment

ISSUE

Shall the Board adopt Resolution #2020-03 that amends Resolution #2019-08 approved September 26, 2019, and Resolution #2019-05 approved June 27, 2019, in order to transfer funds between appropriated categories in the FY2019-20 Budget?

BACKGROUND AND FINDINGS

In accordance with Oregon State Budget Law, the FY2019-20 Budget was adopted last June at the Division and Fund level. In September, the Board amended the FY2019-20 Budget by resolution to reflect a District reorganization that took place in July.

Throughout the year, Finance staff monitors actual expenditures and estimates the year-end balances to determine if any appropriated Division or Fund will exceed appropriations. Staff currently projects that the Administration Division, in the General Fund, will be over budget by approximately \$66,000 or 7.3%. The overage is due to professional services, which includes consulting and legal costs, to be more than planned. Other divisions in the General Fund are projected to be under budget, allowing the capacity to transfer \$66,000 to provide the needed funds to Administration.

The following table shows the recommended appropriation transfers within the General Fund.

General Fund	Existing Appropriation	Change	Amended Appropriation
Communications	\$2,271,238	\$(66,000)	\$2,205,238
Administration	\$898,065	\$66,000	\$964,065
Total Appropriations	\$3,169,303	\$0	\$3,169,303

Staff is also recommending additional appropriations for the General Fund and the Transportation Programs Fund of \$6,027,132. These appropriations are funded by Federal 5307 CARES Act funds (\$5,916,514), Federal 5311CARES Act funds (\$91,416), and Oregon Coronavirus Relief Fund (\$19,202). The amounts represent the estimated portion of each grant to be received in FY20. The remaining projected grant funding is programmed to be received in the FY2020-21 Approved Budget.

The following table shows the recommended added appropriations in the General Fund and the Transportation Programs Fund, by Division.

New Requirements	\$8,898,272	\$561,873	\$9,460,145

Per ORS 294.338(2) and (3), "unforeseen grants" at the time of budget for a specific purpose, or "funding for an unforeseen condition or pressing necessity" may be appropriated by the authorization of the governing body through resolution.

FINANCIAL IMPACT

There is an increase in total FY2019-20 Budget appropriations with this proposed resolution. The first recommended action is the transfer of \$66,000 from one division to another division within the General Fund. This is a net zero transfer. The second recommended appropriation increases the budget by \$6,207,132 to recognize grant funds expected to cover COVID-19 related costs in the General Fund and the Transportation Programs Fund.

RECOMMENDATION

Staff recommends the Board adopt Resolution #2020-03, thereby transferring \$66,000 to the Administration Division from the Communication Division within the General Fund, as outlined in the table above. Staff also recommends the additional appropriation of \$6,027,132 of federal and state grant funding for COVID-19 related costs, as shown in the table above.

PROPOSED MOTION

I move that the Board adopt Resolution #2020-03 to amend the FY2019-20 Budget by appropriation transfer; and authorize the transfer of \$66,000 within the General Fund to the Administration Division from the Communication Division; and that grant appropriations of \$6,027,132 be added by fund and division as detailed in this memo.

RESOLUTION NO. 2020-03

A RESOLUTION ADOPTING A FISCAL YEAR 2019-20 BUDGET AMENDMENT FOR SALEM AREA MASS TRANSIT DISTRICT

WHEREAS, the Salem Area Mass Transit District ("District") Board of Directors adopted Resolution No. 2019-05 to adopt the Fiscal Year 2020 Budget by major fund and category on June 27, 2019.

WHEREAS, on September 26, 2019, the Board of Directors adopted Resolution No. 2019-08 to amend the Fiscal Year 2020 Budget to recognize the reorganization of District divisions.

WHEREAS, ORS 294.463 permits the governing body of a municipal corporation to transfer appropriations within a fund or between funds by resolution if overall appropriations remain the same.

WHEREAS, ORS 294.388 permits the governing body of a municipal corporation to appropriate unforeseen grants or funding for an unforeseen necessity at the time of the budget adoption by resolution.

WHEREAS, the Board of Directors has determined that it is necessary to transfer \$66,000 within the General Fund to cover higher than anticipated services costs for the Administration Division, and to additionally appropriate \$6,027,132 to the General Fund and the Transportation Programs Fund to reflect additional grant emergency funding related to expenses associated with the COVID-19 pandemic.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF SALEM AREA MASS TRANSIT DISTRICT;

THAT, the Board of Directors adopts Resolution 2020-03 to amend the Budget for FY2019-20; and

Subject:	Authorize the General Manager to execute a contract with Creative Bus Sales for the purchase of two (2) cutaway style transit vehicles.

ISSUE

Shall the Board authorize the General Manager to execute a contract with Creative Bus Sales for the purchase of two (2) cutaway-style, gasoline-powered vehicles for the delivery of Cherriots Regional service, for a not-to-exceed amount of \$170,891?

BACKGROUND AND FINDINGS

SAMTD's current fleet for delivery Cherriots Regional service consists of 11 liftequipped vehicles, which vary in fleet type. Regular replacement of these vehicles is necessary to ensure safe, efficient delivery of this service. As part of the District's overall Capital Planning efforts, SAMTD staff is committed to ensuring our vehicles are replaced at a schedule consistent with industry best practices. The two (2) vehicles scheduled to be replaced are approaching 11 years of age, which far exceeds the 5 to 6-year Useful Life Benchmark set by the Federal Transit Administration, as well as the eight-year Useful Life Benchmark set in SAMTD's Transit Asset Management (TAM) Plan.

The contract price is based upon a State of Oregon price agreement, procured under procedures set by the Oregon Department of Transportation's Public Transit Division. In accordance with these procedures, SAMTD staff issued a formal, competitive Invitation to Bid for medium-size Category D vehicles. Three (3) responsive bids were received. Creative Bus Sales met all required specifications and was the lowest cost.

Pricing from each vendor is outlined in Table 1:

Western Bus Sales	\$79,944	\$159,988
Schetky NW	\$80,233	\$160,466

FINANCIAL IMPACT

Funding for this proposed contract is included in the Capital Projects Fund of SAMTD's Adopted FY2020-21 Budget. Project costs are listed in Table 2 below:

ISSUE

Shall the Board approve the FY 2021 General Manager Annual Work Plan?

BACKGROUND AND FINDINGS

In accordance with Policy 116, the Board is responsible for evaluating the General Manager. The criteria used for the evaluation will be determined through the use of an evaluation document developed annually by the Board and General Manager for the upcoming appraisal year listing the Board's primary goals and expectations for the General Manager.

The criteria used will provide a benchmark of the Board's satisfaction with the general management and leadership abilities of the General Manager that are:

- Defined in advance
- Objective in nature and to the extent possible; measurable
- Pertain to outcomes over which the General Manager has a reasonable degree of control
- Within the evaluation period from July 1 through June 30

At the April 23, 2020 meeting, the Board approved the FY2021-2023 General Manager Strategic Work Plan (Attachment A). The annual work plan describes the general manager's plan for the actions and activities in the first year of the strategic work plan.

ISSUE

Shall the Board receive an update on the effect COVID-19 has had on system ridership?

BACKGROUND AND FINDINGS

Starting around the week of March 8, 2020, Cherriots began feeling the effects of the COVID-19 pandemic on the Cherriots Local routes. Service became increasingly unreliable because there were not enough transit operators available to drive the scheduled service. Staff began to evaluate ways to reduce service in order to maintain service reliability. In addition to reducing service for six (6) days, beginning on March 31, 2020, all service, except for Cherriots LIFT, was temporarily suspended.

On April 7, 2020, service resumed at a significantly reduced level. Cherriots Local service was about 25 percent of regular weekday service as measured in daily revenue hours. Cherriots Regional trips that departed before 7 a.m. or after 6 p.m. were temporarily suspended. Customers were asked to only use transit for essential trips and the number of customers allowed on the bus was limited to 8 to 10 in order to adhere to social distancing.

Service has been increased twice since it was restored on April 6, in an effort to meet the demand of customers. Maintaining physical distancing is a requirement, which has had a major impact on ridership. For ridership comparisons see Tables 1-3 below. They cover January 2020 through May 2020.

BD

41

Cherriots Local Ridership

Prior to the dramatic effects felt by the COVID-19 pandemic in the months of January and February, Cherriots Local buses averaged 12,638 weekday boardings. There was an average of 5,502 boardings on Saturdays during this period. Total ridership for January and February was 579,829. With the effects of the COVID-19 pandemic, ridership in March dropped significantly. Average weekday boardings dropped to 8,740 and Saturdays to 4,005 with a total ridership of 208,292, which represents a drop of over 17.2 percent compared to March 2019, which did not include Saturdays.

All services, except Cherriots LIFT, were suspended from March 31 through April 6. During this time, staff reviewed how service could be restored in a way that would protect both operators and passengers. When service was resumed on April 7, 2020, the Governor's office issued a shelter in place order allowing service provided to only essential workers, or for essential trips. Average weekday boardings dropped to 1,128 for the month of April, and Saturday boardings averaged 594. Total Cherriots Local ridership for the month of April was 27,196. April was the lowest point for ridership in this comparison, representing a 91 percent decrease compared to April, 2019.

As we moved into May, restrictions started to lift and ridership saw a slight upward trend. May had an average of 2,418 weekday boardings and 1,232 average Saturday boardings with a total ridership of 54,529.

Table 1. Cherriots Local Ridership				
Month	Weekday Average	Saturday Average	Total Monthly Ridership	
January	12,330	5,359	292,683	
February	12,946	5,644	287,146	
March	8,740	4,005	208,292	
April	1,128	594	27,196	
Мау	2,418	1,232	54,529	

Cherriots Regional Ridership

Similar to Cherriots Local, there had been a significant drop in ridership for the Cherriots Regional system. The span of service (hours of service per day) for Cherriots Regional was set to match that of the Cherriots Local buses. Therefore, a few Regional trips in the early morning and later evening were suspended; however, all other trips on both weekdays and Saturdays have remained in service for essential trips.

The Polk County Flex was temporarily suspended in mid-March due to the lack of reservations, mostly due to the closures of Garten and Goodwill in Dallas. This service has remained closed through April and May; however, staff is re-evaluating the service based on current demand.

Table 2. Cherriots Regional Ridership				
Month	Weekday Average	Saturday Average	Total Monthly Ridership	
January	402	145	9,417	
February	413	128	8,895	
March	275	101	6,454	
April	65	25	1,525	
Мау	113	42	2,460	

Cherriots LIFT Ridership

Ridership on Cherriots LIFT matches the trend of Cherriots Local in March, April, and May. This is due to the fact that many people who ride Cherriots LIFT are considered high risk for contracting COVID-19, and were adhering to the shelter-in-place order. Ridership fell dramatically in mid-March and was very low in the months of April and May. Cherriots LIFT was the only service in operation during the temporary suspension of Cherriots Local service (March 31 to April 6). Those rides were maintained for life-sustaining trips such as rides to dialysis clinics. Cherriots LIFT is a complementary service, which means the service is matched to the Cherriots Local service hours; however, a few trips were approved that were outside of the service hours.

<i>Table 3.</i> Cherriots LIFT Ridership				
Month	Weekday Average	Saturday Average	Total Monthly Ridership	
January	528	87	11,959	
February	521	93	10,882	
March	296	60	6,750	
April	71	51	1,759	
Мау	91	97	2,309
